To whom this may concern,

This is a letter of recommendation for Ashley Zidek who has been an employee of the County of Bucks. She first began as a cashier and then quickly moved to Assistant Head Clerk, responsible for the revenue, forms, customer relations, memberships, and concession of the Oxford Valley Pool in Fairless Hills, PA.

Ashley was a very reliable employee and performed her duties in a satisfactory manner for our Parks and Recreation Department, at the pool location. Often times, she was alone to supervise cashiers at a large pool facility. Being that she was also a certified lifeguard, she was able to help out with children's swim lessons. I would gladly recommend Ashley for any job that she pursued.

If you need further employment information, please call our Human Resources Dept. at the following number: 215-348-6544. Thank you

Sincerely,

Marianne Dubresson
Recreation Supervisor, Lower Bucks County Parks Dept.
